Dear friend,

**Art has the power to change lives, and the generosity of community leaders like you helps us change lives** through the work done at the YWCA Center for Safety and Empowerment—**where we provide free and confidential services to victims and survivors** of domestic and sexual violence, stalking, and human trafficking in Northeast Kansas.

**We are asking for your support by sponsoring our 21st Annual Concealed Revealed Art Auction on Saturday, April 6.** Doors open at The Aurora at Vinewood at 5:30 p.m. This year, we are aiming to raise \$55,000 in order to provide life-saving, transformative services including individual counseling, shelter, crisis services, support groups, court advocacy, and art-based healing programs for survivors.

Every dollar raised allows us to provide **direct services to over 3,000 clients, including 24/7 crisis hotline services and a newly established text line.** We see the need for our critical services growing each day and are only able to provide ongoing survivor services with these vital investments from our community. **Your direct support of this event ensures our success in renovating and expanding our shelter later this spring to meet the ongoing needs of survivors in our community.**

We would be honored if your organization would sponsor this inspiring and empowering event which expects to host nearly 300 supporters, donors, and allies on April 6th. **Sponsorships include visibility on the silent auction mobile app, in the printed event program, and social media channels, while some levels include recognition in the live event and VIP seating for the live auction program.**

**If you are able to support us this year, please submit the sponsorship form or contact Rachel Grollmes at 785-354-7927 x316 or [rachelg@ywcaneks.org](mailto:rachelg@ywcaneks.org) by Friday, March 15th.**

Concealed Revealed is the only major fundraiser that specifically supports the YWCA Center for Safety and Empowerment. Your sponsorship will have a **direct impact on the lives of the survivors we serve.**

**With gratitude and sincere thanks** for your support of the mission of YWCA Northeast Kansas,

Kathleen Marker, CEO
