

EZCare Parent Portal Instructions

1. Please visit <https://www.ezcaresoftware.com/parent-portal>

2. Register using the email submitted on your child's enrollment form.
3. Click "**Register**". If you receive an error message, please be sure the email matches the email on the enrollment form. If error continues to show, please call us at 785-233-1750 to verify the email address on file.
4. A secure four digit pin number will be emailed to the address on file. Please use the four digit pin in order to complete the registration process.

EZCare Registration Pin

Your New Registration PIN is
2873

Click below link to submit the PIN

5. After clicking Register, parents will be directed to the parent portal's Registration screen to enter the pin information and create a password.

5. Enter the registration pin emailed to the email on file. Set a password.

A screenshot of the EZCare Registration screen. The page has a dark header with a user icon. Below the header, there is a message: "Please enter the Registration PIN that was just emailed to wyoung+1@softerware.com and set your password." Below this message, there are three input fields: "Registration PIN" with the value "2345", "Password" with a masked field of seven dots, and "Confirm Password" with a masked field of seven dots. To the right of the input fields, there are four requirements listed with checkmarks: "1 Uppercase Character", "Minimum 1 Digit (0-9)", "Minimum 8 Characters", and "Passwords Match". At the bottom of the form, there is a "Finish" button.

6. Once password has been created and accepted, click the finish button, you will be logged in immediately to the Parent Portal.
